

NOTICE - BEFORE THIS POOL IS USED
Department of Public Safety Building & Zoning Division

1. FINAL ELECTRICAL INSPECTION MUST BE APPROVED AND RECORDED IN THE BUILDING DEPARTMENT.
2. THE POOL ENCLOSURE MUST BE COMPLETED, IF REQUIRED, BEFORE WATER IS PUT IN POOL. It is a violation of the Residential Code of New York State and the Village of Ellenville to install and/or maintain a swimming pool without the mandated enclosure. If the permanent enclosure is not available when the pool is installed a temporary enclosure, which complies with Section AG 105 is necessary.
3. A POOL ALARM MUST BE INSTALLED ON ALL POOLS CAPABLE OF SOUNDING AN AUDIBLE ALARM IF A CHILD SHOULD ENTER THE WATER.
4. A SELF CLOSURE AND LATCHING DEVICE MUST BE INSTALLED ON ALL GATES.
5. CERTIFICATE OF COMPLIANCE MUST BE ISSUED BY THE BUILDING DEPARTMENT BEFORE THE POOL CAN BE USED.
