**Dear Water Customer:**

**Starting on Monday, August 26th through Friday, August 30<sup>th</sup>, the water department will be flushing fire hydrants in all areas throughout the Village of Ellenville.**

**During this time you may experience dirty or cloudy water. Run the cold water tap in your sink until it is clear. We are sorry for any inconvenience but this flushing procedure is necessary. If you need any assistance, you can call the water department at 647-5740 or the Village Government Center at 647-7080.**

**Thank you for your cooperation.**

**Senior Water Operator**

**Michael Avery, Jr.**
